

# Pop Your Candidate Into the White House!

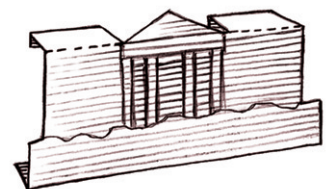

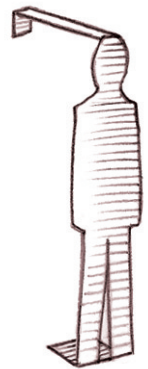

## Instructions

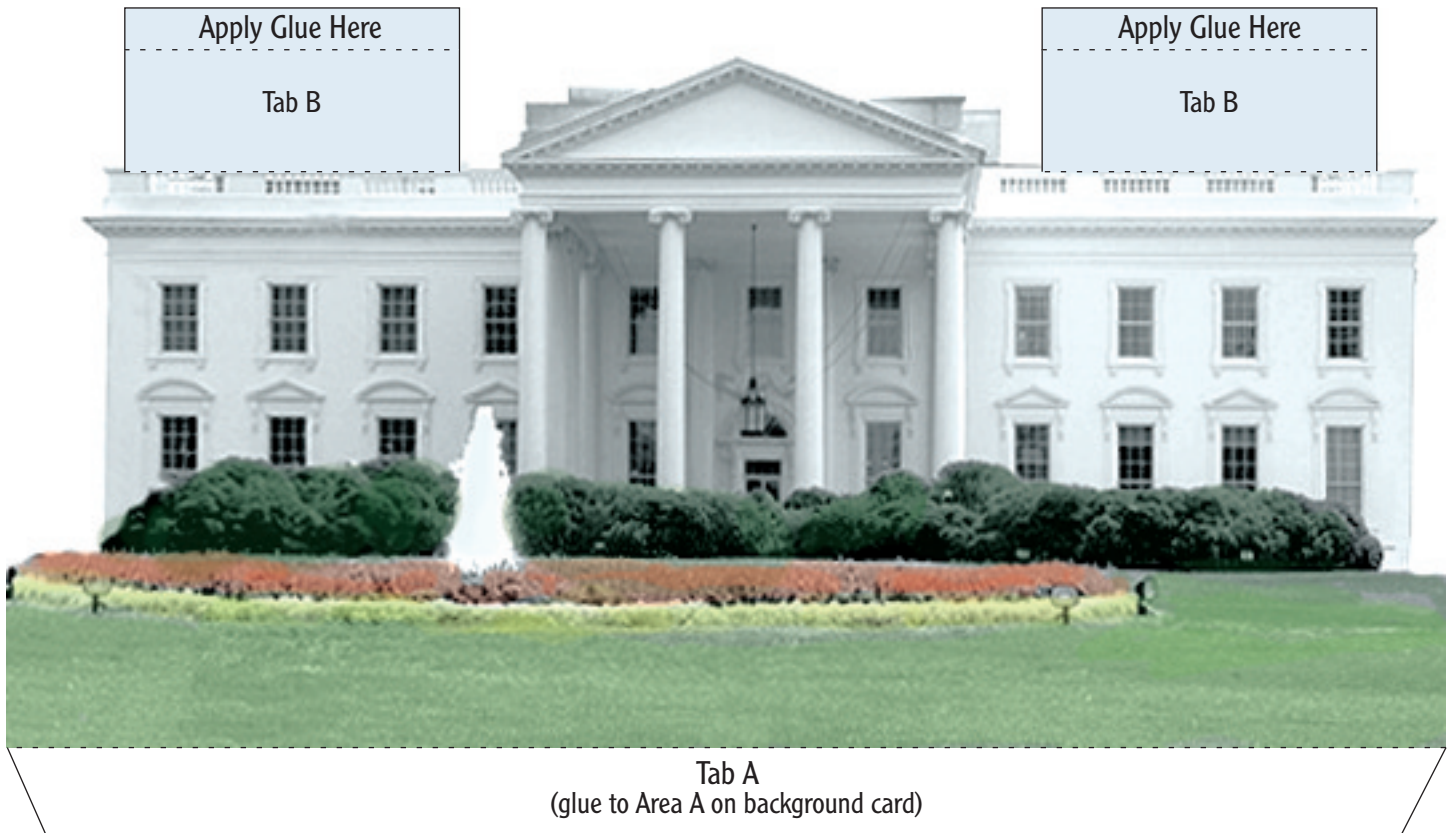

It's fun, it's easy, and you don't even have to register! Print this file on card stock and pop the candidate of your choice out of the page and into the White House. Just follow these easy steps:

**1** **Cut out** candidate of your choice, including tabs. If you don't like the choices, cut out a photo of whomever you want in the White House and glue it over one of the photos here.

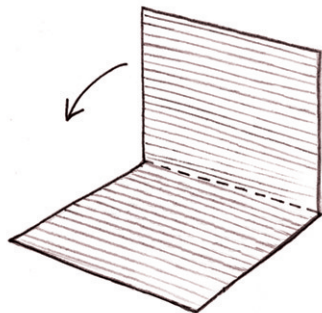

**2** **Fold** top and bottom tabs back along all dotted lines.

**3** **Cut out** White House, including tabs (next page). Fold tabs back along dotted lines.

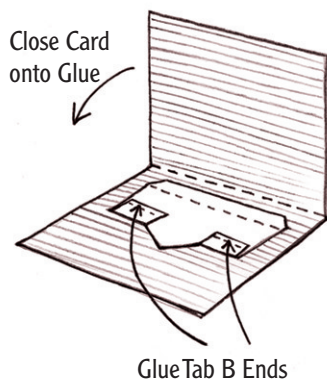

**4** Cut out background card and fold in half along dotted line.

**5** Glue Tab A on bottom of White House to Area A on background card.

**6** Push White House forward, face down on grass. Pull both Tabs B back toward card centerfold.

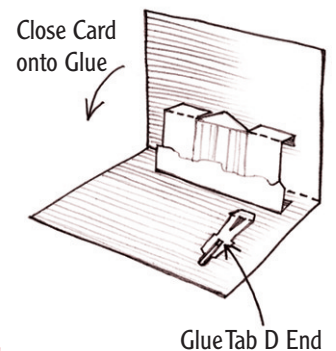

**7** Apply glue to ends of both Tabs B. Close card onto glued ends.

**8** Glue Tab C on your candidate to Area C on background card.

**9** Push candidate forward, face down on grass. Pull Tab D back toward card centerfold.

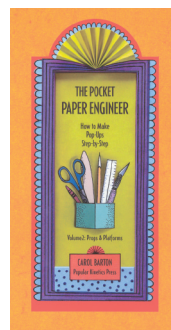

**10** Apply glue to end of Tab D. Close card onto glue.

Your candidate is now on the front lawn of the White House. To get him inside,

**DON'T FORGET TO VOTE!**

And pass this along to your friends.
