Cut canvas and flannel
20" x 40"

With RSF, sew long
sides together.

From center of
the short sides,
cut out a rectangle,
6" wide and 8" deep.

Sew around each rectangle.

Turn RSO through one
of the open ends.

Fold ends toward
the inside,
turning the raw
edges under.
Sew over each
edge Twice.

Slide 1" (25" long) dowel
rods or small branches
into the loops and carry both sticks
in the center with flannel
on the outside.
